

NAME:

Celedriel, Moon Arrow

SCALE:

75 mm

Produced in Bigchild Creatives high-quality resin
Unpainted model - Needs assembly

**ASSEMBLY:**

- ① First we will glue the chest quiver. Then we will attach the skirt to the chest along with the legs of the archer.
- ② Once assembled, we will attach the head to the chest along with the arms and the hand.
***PAINTER'S TIP:** We advise you to glue the hand at the end of having painted the figure.
- ③ We glue the ribbons of the suit to the adrone on the leg.
- ④ Finally we glue the figure to the base.

ASSEMBLY ADVICE:

- In case of needing it, bend parts can be straightened by applying hot air.
- Sprues can be cut with model pliers and sanded easily
- Pieces can be glued with cyanoacrylate glue.
- Paint can be applied directly on the resin, or if preferred, after a prime coat.

WARNING: Not suitable for children under 36 months. Small parts. Essential pointed components
